

## **Appendix A – Scope of Work**

- By February 2022, the AL-AAP Chapter will use its existing relationships and make contact with key state agencies and organizations to build a leadership team.
- By March 2022, host a preliminary leadership call to establish the plan and timeline for action, and meet every two weeks.
- Hold monthly calls to further develop the partnership and address challenges faced locally by children and women experiencing violence.
- Participate in the three-part AAP webinar series in February, March and April.
- By April 2022 develop a plan of outreach to identify local domestic violence specialists associated with the SAIL program, child welfare workers and pediatricians and their staffs, and finalize schedule of webinars & topic ideas
- By June 2022, host three educational webinars for local teams and work with local teams to develop goals.
- By July 2022, develop a blueprint for local partnerships, including links to recordings of the educational webinars held during the grant project period.
- Share the blueprint at the AL-AAP's 2022 Annual Meeting & Fall Pediatric Update and state conferences for child welfare workers and domestic violence (S.A.I.L.)
