### Designation

Children's of Alabama designates this live activity for a maximum of 4.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### Accreditation

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Medical Association of the State of Alabama through the joint providership of Children's of Alabama and the Alabama Chapter AAP. Children's of Alabama is accredited by the Medical Association of the State of Alabama to provide continuing medical education for physicians.

### Learning Objectives

Upon completion of this live activity, the participant will be able to:

- Recognize the importance of practice culture and why it is ultimately more important than any business or clinical strategy the practice may employ
- Differentiate between a practice's stated culture and actual culture, and express where dangerous gaps may exist
- Employ AAP content and practical examples to create a working list of values, vision statement, and mission statement
- Restate how the CURES Act applies to adolescent medicine
- Discuss the 2021 COVID vaccine parental consent requirement for minors and what that means for pediatric practices in Alabama
- Discuss the 2021 vaccine passport law and what that means for pediatric practices in Alabama
- Describe the 'good faith estimate' requirement of the No Surprises Act and its applicability to pediatric practice
- Discuss how ACHNs are affecting impacting delivery of care at the local level
- Describe new benefits for mothers of infants/babies covered by Medicaid
- Describe changes to Medicaid coverage after the end of the Public Health Emergency and their impacts on pediatric practice in Alabama
- Design a roadmap of his/her life and career goals, identifying the next best step for success
- Integrate key business principles and the superpower of delegation into his/her decisions to find more joy in daily life
- Discuss the risks of working in a silo and realize the importance of connecting with an accountability partner
- Describe the pediatrician's role in timely identification and care of infants who are deaf or hard of hearing.
- Discuss recent and upcoming changes in Alabama's Newborn Screening program and their impacts on pediatric practices

### Speakers

**Brandy Boone, JD**, General Counsel, Medical Association of the State of Alabama, Montgomery, AL

**Barry Cambron**, Deputy Commissioner, Health Systems, Alabama Medicaid Agency, Montgomery, AL

**Chip Hart**, Director, PCC Pediatric Solutions Consulting Group, Winooski, VT

**DeeAnne Jackson, MD, MPH, FAAP**, Professor, Department of Pediatrics, UAB Division of Academic General Pediatrics, Birmingham, AL

**Katrina Skinner, MD, FAAP**, Pediatrician, Fairhope Pediatrics, Fairhope, AL

**Mary Ellen Whigham, RN**, Nurse Supervisor/EHDI Coordinator, Alabama Department of Public Health, Montgomery, AL

# Main (Clinical) Meeting

## Friday, September 9

- 2:30 p.m. – 6:30 p.m. Registration

**Melissa L. Mannion, MD, MSPH**, Assistant Professor, Division of Pediatric Rheumatology, University of Alabama at Birmingham, Birmingham, AL

**Diana Montoya Melo, MD, FAAP**, Assistant Professor, Department of Pediatrics, Division of Gastroenterology, Hepatology, and Nutrition, University of Alabama at Birmingham, Birmingham, AL

**Ana Radović, MD, MSc**, Division of Adolescent/Young Adult Medicine, Department of Pediatrics, UPMC University Center, Pittsburgh, PA

**Kimberly Randell, MD, MSc, FAAP**, Professor of Pediatrics, Children's Mercy Hospital, Pediatric Emergency Medicine and University of Missouri-Kansas City School of Medicine, Kansas City, MO

**Daniel Reiff, MD, FAAP**, Fellow, Department of Pediatric Rheumatology, University of Alabama at Birmingham, Department of Pediatrics, Division of Pediatric Rheumatology, Birmingham, AL

# CME Information

## For Main Meeting *Friday, 3 p.m. — Sunday, noon*

### Topics & Learning Objectives

Upon completion of this live activity, the participant will be able to:

#### “Healing-Centered Support for Families Experiencing Intimate Partner Violence”

- Describe the effects of domestic violence on children in families of adult survivors
- Describe evidence-based interventions to address domestic and sexual violence in healthcare settings

#### “Updates on Suicide Prevention”

- Review epidemiology of suicidality in adolescents
- Summarize brief suicide safety assessments for primary care

#### “Functional Abdominal Pain”

- Review definition of functional abdominal pain and functional gastrointestinal disorders, including ROME IV criteria
- Review pharmacological and non-pharmacological approaches to treat functional gastrointestinal disorders
- Discuss prognosis of functional gastrointestinal disorders in the pediatric population

#### “Technology and Adolescent Mental Health”

- Relate technology use and adolescent mental health
- Cite new technologies that may improve adolescent health

#### “Mental Health Services for Children in Alabama: Supporting the Pediatric Medical Home”

- Describe mental health services in Alabama that exist for children outside of the pediatric medical home
- Discuss ways to interface with these services in order to improve capacity for the pediatric medical home in meeting mental health needs in children

#### “US Preventive Service Task Force Recommendation B for Fluoride for Pediatricians?”

- Discuss how to reduce a child's risk for caries
- Integrate preventive oral health services in the pediatric office
- Describe medical-dental integration models-of-care

#### “Asthma: Guidelines Update”

- Summarize GINA Guidelines 2017 and the Updates of the guidelines made in 2021
- Describe how to assess severity of asthma and respective treatments in light of the new guidelines

#### “Preventing Caries: Elevating Children to Break Down a Major Health Inequity”

- Discuss the upstream and downstream influences on the most common chronic condition of childhood
- Describe the caries chronic disease process
- Integrate preventive oral health services in the pediatric office

#### “Endocrine Updates for the Pediatrician”

- Discuss the endocrine portion of newborn screens, when to repeat labs and when to refer to Endocrinology
- Review emerging technology associated with the monitoring and management of Type 1, Type 2 and other types of diabetes
- Review the most common emergent pediatric endocrine situations (DKA, DI, and GD), their symptoms and management

#### “Multisystem Inflammatory Syndrome in Children (MIS-C): An Update”

- Review the diagnostic criteria for MIS-C
- Identify the common symptomology and lab findings of MIS-C
- Describe the most current treatment algorithms for MIS-C
- Discuss the short- and long-term outcomes of MIS-C

#### “One Too Many Fevers - Evaluation of Recurrent Fever in Children”

- Recognize the patterns for PFAPA (Periodic Fever, Aphthous Ulcers, Pharyngitis, Adenitis) and diagnostic treatment with single dose of corticosteroids
- Recognize features of autoinflammatory recurrent fevers including diagnostic testing results

---

**Designation** Children’s of Alabama designates this live activity for a maximum of 10.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Accreditation** This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Medical Association of the State of Alabama through the joint providership of Children’s of Alabama and the Alabama Chapter-AAP. Children’s of Alabama is accredited by the Medical Association of the State of Alabama to provide continuing medical education for physicians.

**MOC Part 2** Successful completion of this CME activity, which includes participation in the activity, with individual assessments of the participant and feedback to the participant, enables the participant to earn 10.5 MOC Part 2 points in the American Board of Pediatrics’ (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABP MOC credit.

# Registration **INFO** for all activities

## **IMPORTANT: Registration Type—IN-PERSON VS. VIRTUAL**

We are pleased to offer this conference (both the workshop and the main meeting) as a “hybrid” meeting—meaning attendance can be **in-person** at Ross Bridge Resort or **virtual** (via Zoom). Due to the Chapter’s contractual obligations with the hotel as well as managing head counts, staffing and other expectations, registrants must declare registration type on the online registration form at time of registration. Switching registration types after registration is discouraged, and, due to our room block requirements, any in-person registrant who wishes to switch to the virtual registration type after **August 5, 2022** will be charged an administrative fee of \$100. Thank you for your understanding on this.

### **A note about the health and safety of our attendees**

The Alabama Chapter-AAP is committed to the safety of our in-person participants and will be abiding by current (at time of event) ADPH recommendations with regard to social distancing and mask-wearing during conference activities.

## **MOC Part 2**

Again at this conference, the Chapter is delighted to offer ABP Lifelong Learning and Self-Assessment for MOC Part 2 for ABP diplomates for each CME hour of the **Main (Clinical) Meeting** through Children’s of Alabama, our accredited CME provider.

- Each speaker will guide attendees in a short discussion around two questions for each topic.
- MOC enrollees must use a smartphone or laptop to complete the self-assessment questions.
- MOC enrollees must supply their ABP # on the credits claimed form so credits information can be transmitted to the ABP.

## **Fees**

<b>PMA ANNUAL MEETING (PMA members only)</b>	\$0
<b>PMA PRACTICE MANAGEMENT WORKSHOP (9 A.M.—3 P.M. FRIDAY)</b>	
Chapter Member or PMA Member/Practice Representative	\$135
