

6. Does your child point with one finger to ask for something or to get help?

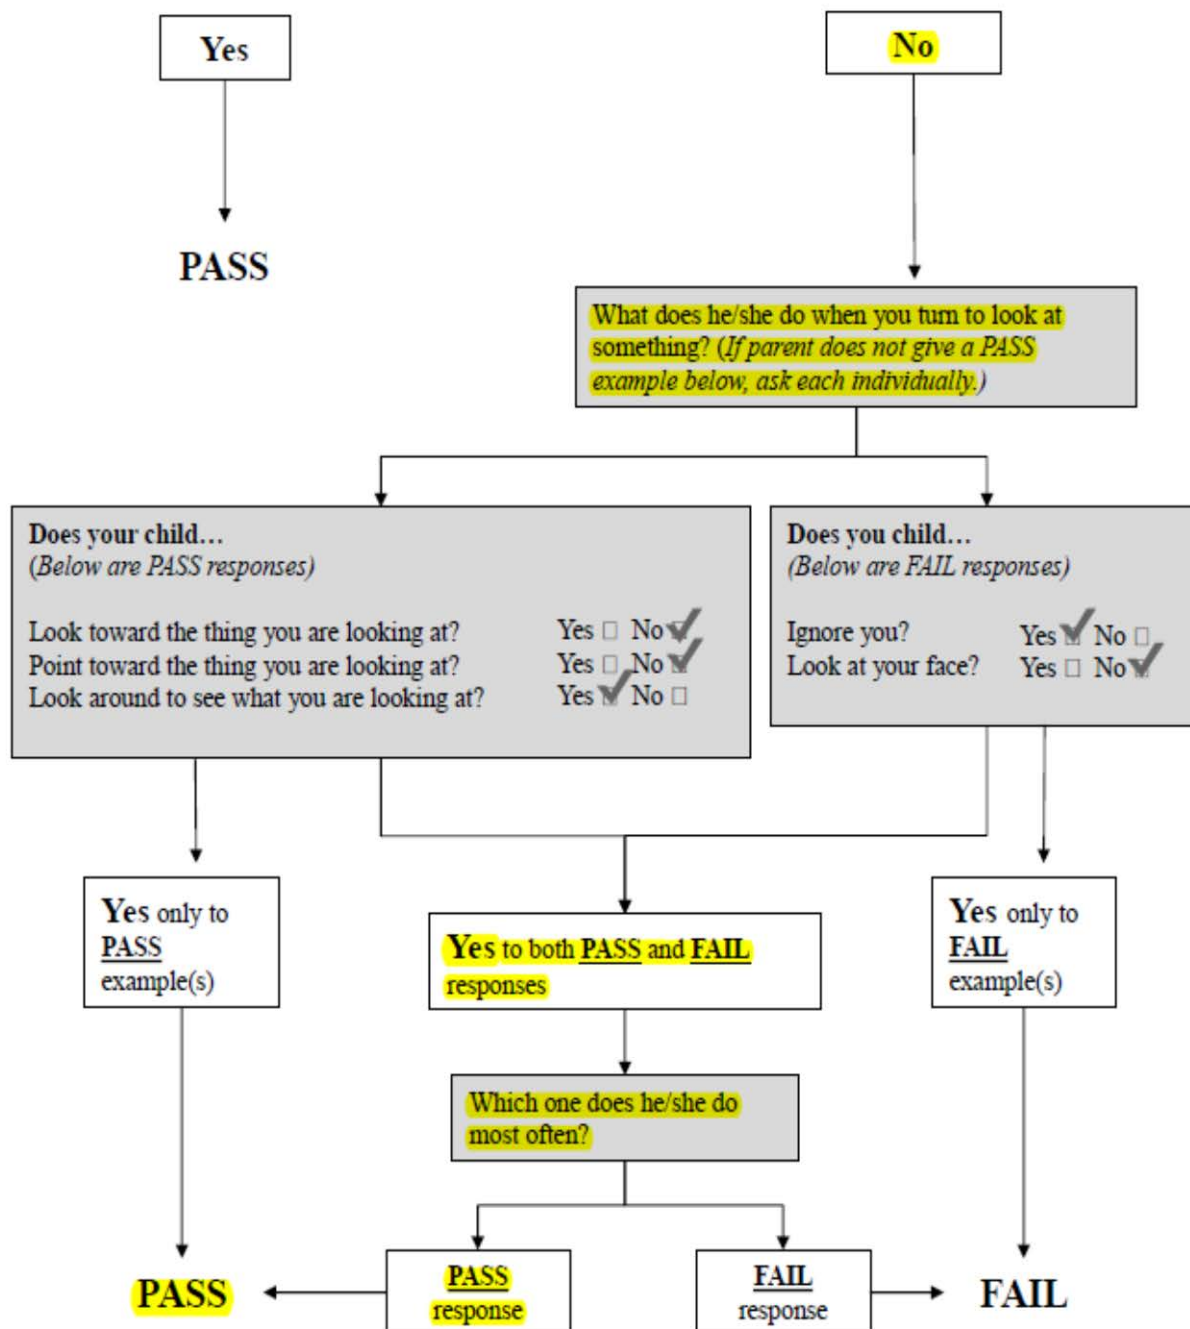

7. * If the interviewer just asked #6, begin here: We just talked about pointing to *ask* for something, ASK ALL → Does your child point with one finger just to show you something interesting?

8. Is Andrea interested in other children?

16. If you turn your head to look at something, does Andrea look around to see what you are looking at?

M-CHAT-R/F SCORING INSTRUCTIONS
