

# 2020 Virtual Meeting & Pediatric Update

Alabama Chapter

INCORPORATED IN ALABAMA

American Academy of Pediatrics

DEDICATED TO THE HEALTH OF ALL CHILDREN®

June 13-14, 2020

Via Zoom Webinar

*Join your colleagues for the Chapter's first ever virtual conference, held in an effort to provide our members with much-needed CME and to replace our in-person 2020 Spring Meeting, which was cancelled due to the COVID-19 pandemic!*

# Agenda, Registration & CME

<b>“Evaluation and Treatment of Adolescents with Co-Occurring Substance Use and General Psychiatric Disorders”</b> —Stephen Taylor, MD	8:45 a.m. - 9:45 a.m.
Stretch Break	9:45 a.m. - 10:00 a.m.
<b>“The Opioid/Addiction Epidemic and its Impact On Youth”</b> —Stephen Taylor, MD	10:00 a.m. - 11:00 p.m.
<b>“Peer-to-Peer Lessons to Move Your Practice Forward”</b> —Chip Hart	11:00 a.m. - 11:45 a.m.

### Sunday, June 14

<b>Call to Order/Welcome</b> —Katrina Skinner, MD, FAAP, Chapter Vice President	1:00 p.m.
<b>“The Changing Landscape of Autism Spectrum Disorder in Alabama”</b> —Justin Schwartz, MD, FAAP & Laura Stoppelbein, MD, PhD	1:00 p.m. - 2:00 p.m.
<b>“Newborn Screening for Severe Combined Immune Deficiency (SCID): A Review of Our First Year”</b> —Prescott Atkinson, MD, FAAP	2:00 p.m. - 3:00 p.m.
Stretch Break	3:00 p.m. - 3:15 p.m.
<b>“HPV Epidemic in Alabama: What Can You Do to Protect the Next Generation?”</b> —Jennifer Young Pierce, MD	3:15 p.m. - 4:15 p.m.
<b>FOCUS ON COVID-19</b> <b>“COVID-19 Disease in Children”</b> —David Kimberlin, MD, FAAP <b>Alabama Children Returning to School During COVID-19 Pandemic: What Pediatricians Need to Know</b> —Karen Landers, MD, FAAP	4:15 p.m. - 5:45 p.m.
Adjourn	

## REGISTRATION & FEES

**Important Deadlines:** Registration deadline is *June 5, 2020 so that we know our head count for our Zoom plan.*

**Registration Fee:** The fee for registration for this conference is a flat \$175.00 for all member types, which covers both days and 8.0 hours of education. Those who had already registered for the Spring Meeting will be sent an email regarding partial refunds and other options.

**Registration Link:** Registration and payment for this conference is online only. Upon receipt of your electronic registration and fee, you will be sent the link for attending on the days of the conference. To register, click here:

<https://www.alaap.org/2020-virtual-meeting-registration>

## CME ACCREDITATION

Children’s of Alabama designates this live activity for a maximum of **8.0 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Medical Association of the State of Alabama through the joint provider-ship of Children’s of Alabama and the Alabama Chapter of the AAP. Children’s of Alabama is accredited by the Medical Association of the State of Alabama to provide continuing medical education for physicians.

**Instructions for Logging In and Obtaining CME:** Please be sure your computer is “Zoom-ready” and that you have tested it well ahead of the start of the conference. After registering, you will be sent a link to register that morning so that we have you signed in for CME purposes. After the conference, you will be emailed a link to complete the evaluation and credits claimed form. Upon receipt of these two documents, the Chapter office will email you your CME certificate.

**Presentation Handouts:** Electronic versions of the speakers’ PowerPoint handouts will be provided via a link after the conference.

# 2020 Virtual Meeting & Pediatric Update

# Faculty & Topics

**Prescott Atkinson,  
MD, PhD, FAAP**

**Prescott Atkinson, MD, PhD, FAAP**, Professor and Director, Division of Pediatric Allergy & Immunology, University of Alabama at Birmingham, Birmingham, AL

- ◆ **Newborn Screening for Severe Combined Immune Deficiency (SCID): A Review of Our First Year**

**Chip Hart**, Director, PCC Pediatric Solutions Consulting Group, Winooski, VT

- ◆ **The Business of Immunization: Protecting Kids Without Destroying Your Practice**
- ◆ **Peer-to-Peer Lessons to Move Your Practice Forward**

**Chip Hart**

**David Kimberlin, MD, FAAP**, Professor of Pediatrics and Vice Chair for Clinical and Translational Research, Co-Director, Division of Pediatric Infectious Diseases, University of Alabama at Birmingham, Birmingham, AL

- ◆ **COVID-19 Disease in Children**

**Karen Landers, MD, FAAP**, District Medical Officer, Alabama Department of Public Health (ADPH); ADPH Pediatrics Consultant; ADPH Bureau of Communicable Diseases TB and Immunization Consultant

- ◆ **Alabama Children Returning to School During COVID-19 Pandemic: What Pediatricians Need to Know**

**David Kimberlin,  
MD, FAAP**

**Justin Schwartz, MD, FAAP**, Assistant Professor of Pediatrics, Division of Developmental and Behavioral Pediatrics, University of Alabama at Birmingham, Birmingham, AL

- ◆ **The Changing Landscape of Autism Spectrum Disorder in Alabama**

**Stephen M. Taylor, MD, MPH, FASAM**, Chief Medical Officer, Behavioral Health Division, Pathway Healthcare, LLC, Birmingham, AL

- ◆ **Evaluation and Treatment of Adolescents with Co-Occurring Substance Use and General Psychiatric Disorders**

- ◆ **The Opioid/Addiction Epidemic and Its Impact on Youth**

**Jennifer Young Pierce, MD, MPH, FACOG**, Professor, Gynecologic Oncology & Program Leader, Cancer Control and Prevention, Professor, University of South Alabama Mitchell Cancer Institute, Mobile, AL

- ◆ **HPV Epidemic in Alabama: What Can You Do to Protect the Next Generation?**

**Karen Landers,  
MD, FAAP**

**Justin Schwartz,  
MD, FAAP**

**Laura  
Stoppelbein, PhD**

**Stephen Taylor,  
MD, MPH, FASAM**

**Jennifer Young  
Pierce, MD, MPH**

Upon completion of this live activity, participants will be able to:

### ***The Business of Immunization: Protecting Kids Without Destroying Your Practice***

- ◆ Estimate the costs of purchasing and administering vaccines
- ◆ Explain the differences between "carrying costs" and the retail costs of vaccines
- ◆ Use provided tools to compare the viability of his/her immunization business on a payor-by-payor basis and use the AAP's white papers to negotiate with payors

### ***Evaluation and Treatment of Adolescents with Co-Occurring Substance Use and General Psychiatric Disorders***

- ◆ Briefly discuss some of the epidemiology of adolescent substance use and general psychiatric disorders
- ◆ Recognize some of the risk factors and warning signs of a developing substance use disorder in a pre-adolescent or an adolescent
- ◆ Recognize some of the risk factors and warning signs of a developing psychiatric illness in a pre-adolescent or an adolescent
- ◆ Briefly discuss the importance of motivational interviewing with adolescents in the primary care setting
- ◆ List some of the evidence-based behavioral and pharmacological approaches to managing adolescents with co-occurring substance use and general psychiatric disorders.
- ◆ Discuss effective treatment of adolescents with opioid and other substance use disorders, in light of NIDA's evidence-based Principles of Drug Addiction Treatment.

### ***The Opioid/Addiction Epidemic and Its Impact on Youth***

- ◆ Briefly discuss some of the epidemiology and stages of the current opioid/addiction epidemic
- ◆ Provide an evidence-based, clinically useful definition of addiction, and apply that definition to the opioid-addicted adolescent who may present in the primary care setting
- ◆ Discuss important clinical considerations in evaluating an adolescent for a possible opioid use disorder
- ◆ Discuss two important issues in the treatment of Neonatal Opioid Withdrawal Syndrome (NOWS)

### ***Peer-to-Peer Lessons to Move Your Practice Forward***

- ◆ Cite concrete ways to approach and implement change in their practices in order to provide the highest level of care
- ◆ Discuss how to position practices for growth in order to address the needs of their communities' pediatric populations
- ◆ List approaches to address increasing payor demands on pediatric practice

### ***The Changing Landscape of Autism Spectrum Disorder in Alabama***

- ◆ Review the current state of insurance coverage eligibility for

autism spectrum disorder (ASD)

- ◆ Describe supports for early identification of ASD behaviors in primary care
- ◆ Discuss the expanded role of primary care providers in initial diagnosis and referral for services

### ***Newborn Screening for Severe Combined Immune Deficiency (SCID): A Review of Our First Year***

- ◆ Restate the fact that a positive newborn screen for Severe Combined Immune Deficiency does NOT mean that the patient actually has SCID
- ◆ Describe the TREC test – the basis for newborn screening for low T cell production in the thymus
- ◆ Explain how to refer a baby with a positive newborn screen for SCID for follow-up flow cytometry testing for T cell analysis

### ***HPV Epidemic in Alabama: What Can You Do to Protect the Next Generation?***

- ◆ Describe the current state of HPV and HPV-related cancers in the U.S. and in Alabama
- ◆ Describe the current data on HPV vaccination in AL
- ◆ List three things pediatricians can do in their practices to increase HPV vaccination rates

### ***COVID-19 Disease in Children***

- ◆ Discuss biology of coronaviruses, including the new SARS-CoV-2 virus
- ◆ Review current knowledge of SARS-CoV-2 virus infection in children
- ◆ Discuss diagnostic tests available for detection of SARS-CoV-2 infection
- ◆ Review management options for children with COVID-19, the disease caused by SARS-CoV-2

### ***Alabama Children Returning to School During COVID-19 Pandemic: What Pediatricians Need to Know***

- ◆ Describe the state's plan for testing, contact tracing and potential timeline for children returning to school after the COVID-19 crisis
- ◆ Discuss the health implications of schools reconvening and what pediatricians can do to assist in this process for the safety of children
